Sometimes

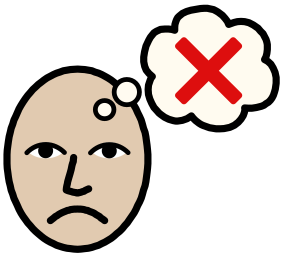

when I am

playing

I forget to use the toilet and

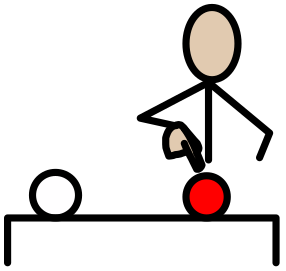

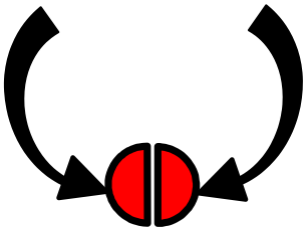

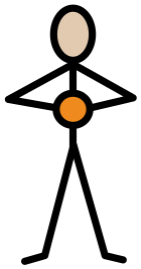

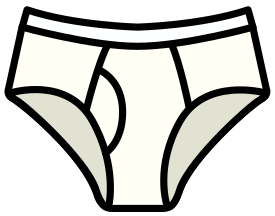

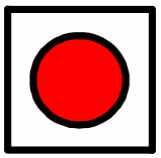

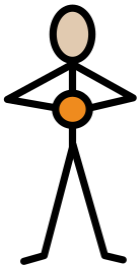

I will do a wee

or poo in my pants.

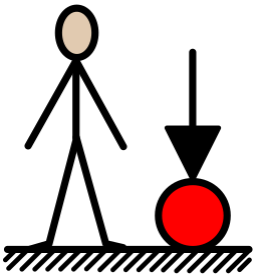

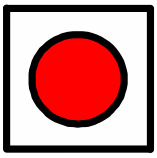

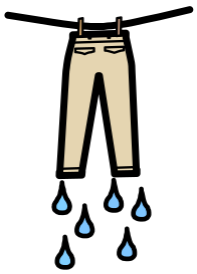

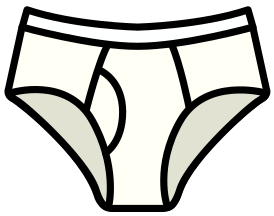

This makes my pants

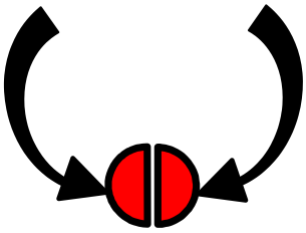

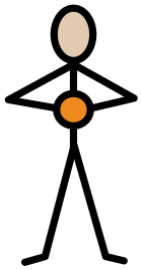

wet and smelly.

Staying in wet pants

can make my skin

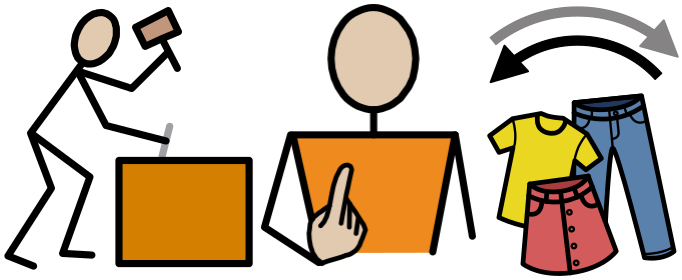

painful.

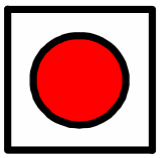

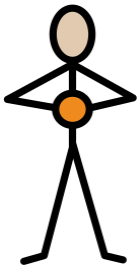

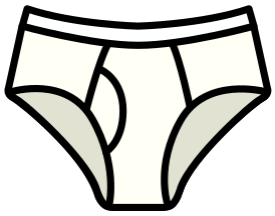

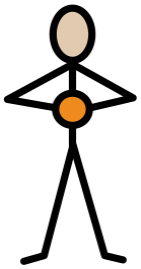

When I do a wee or

poo in my pants, my

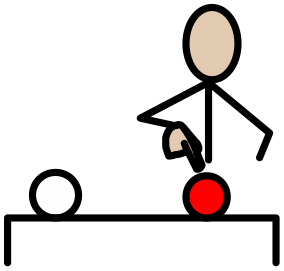

teachers will ask

me to change my clothes.

My teachers just want

me to be comfortable

When I am changed

and dry, I can join

my friends to play.

The toilet is the best
