Welcome back!

(Our usual full newsletter will return next week)

It has been a great week in school, with lots of exciting activities taking place. Our Art Club and Forest School sessions have been in full swing and we were delighted to launch our brand-new lunchtime DJ Club, which has already proved very popular!

We are also pleased to share that building work has begun on installing new windows in the school hall. This is an important improvement to our learning environment. We're not only looking forward to new windows, but an improved outdoor space for lunchtime dining and after school club!

Thank you for supporting our Rockstar and Numbers Day. The children (and teachers) looked fantastic and fully embraced the spirit of the day. It was also wonderful to see so many of you at our Celebration of Learning this afternoon. Your continued support and partnership mean a great deal to us. Thank you.

Finally welcome back to Mrs Neill, who has returned from maternity leave and joined the Y5 teaching team.

Have a lovely weekend!
