Our Final Newsletter of the Year!

What an amazing year it has been! It's been a joy to watch our children bloom and grow in so many ways. We have a school full of forest explorers, story writers, number crunchers, singers, dancers, musicians, and sports enthusiasts, both in and out of school.

But most importantly, we are incredibly proud to have the kindest, most caring children we know. Their curiosity, compassion, and enthusiasm make St Mary's a truly special place to be.

A heartfelt thank you to all our parents and carers for your continued support, and to our dedicated staff for their hard work and commitment throughout the year.

Have a lovely weekend, and we're looking forward to a fun and memorable final week in school before we head into the summer holidays!

Year 6

We are all so proud of you.

Have a fantastic final week at St Mary's.

We love you and will miss you!

EYFS

We've had a fun-filled week in Nursery. We read a new story called 'Lulu loves the library' which linked to our new I sound in phonics this week.

We also talked about our own experiences of going to the library. On Wednesday, we really enjoyed watching the Year 6 production 'Madagascar'. The children were amazing!

Our week ended with our fantastic water day! We thoroughly enjoyed ourselves and got very wet!!

We have had another wonderful but warm week in Reception ! On Wednesday the Reception children performed their end of year show for the parents and carers. I'm sure you will all agree that the children performed beautifully, and we couldn't be any prouder. They also watched year 6 perform their end of year musical 'Madagascar' which they thoroughly enjoyed. On Friday we enjoyed our water fun day! We have had a great penultimate week in Reception.

Key Stage 1

Year 1

Last week 1B completed their attendance challenge and filled our potato head, and this week 1N also complete their attendance potato head... so both classes received their treat of attending Cringle Park for an extra play. We had a great time! Well done Year 1 for super attendance.

Year 2

This week in class, Year 2 enjoyed a sunny trip to the park, complete with games and giggles and a delicious homemade cake, thank you to our superstar parent baker! Back in class, we have been charting and observing the growth of sunflower seeds, planted over these last few weeks – green thumbs crossed!

Lower Key Stage 2

Year 3

We have had another busy week in Year 3, watching the Y6 production on Monday afternoon which we thoroughly enjoyed as well as doing our final neat writes of the year in Literacy. The progress the children have made this year has been wonderful to see and they should all be super proud of themselves! Well done Year 3!

A fabulous week in Year 4 started with watching the Year 6 performance which was amazing! We have been working hard on our brochures to bring more visitors to a seaside village based on The Baker by the Sea. We are almost finished with The Wild Robot too and we have enjoyed exploring the themes of family and wildlife through this lovely book.

Upper Key Stage 2

Year Five

It's been another busy week! In English, the children have been continuing their non-chronological reports on the Kingdom of Benin. It's been a brilliant unit, thoroughly enjoyed by both staff and pupils. In Maths, we've been tackling the challenge of negative numbers and exploring how they relate to real - life scenarios.

With just one week to go, we want to say how incredibly proud we are of Year 5. Your kindness, maturity and hard work continue to shine- let's keep it up!

Year six

What a week! Finally, it was time for the performances of our incredible end of year production, 'Madagascar,' and we were amazing!

All of the practice paid off: the singing, the dancing, the acting, all absolutely brilliant. Well done Y6, you should be so proud of yourselves.

It's time to say goodbye to our lovely year six – all the very best – we will miss you so much.

**Goodbye & Good Luck
