

## Weekly News

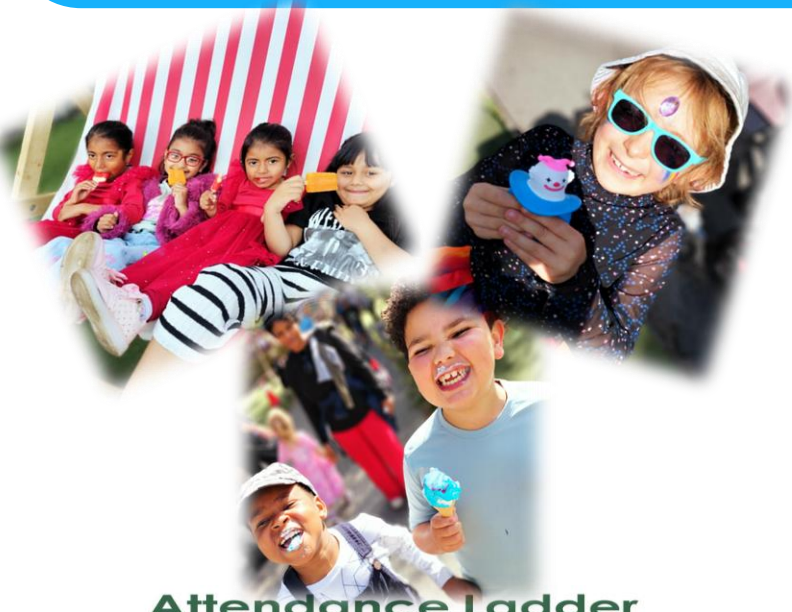

Friday 4th July 2025

What an amazing week it's been here at school, filled with sunshine, smiles, and plenty of summer fun!

A huge thank you for your incredible support with our Summer Fest, what a brilliant evening! The atmosphere was buzzing with laughter, music, games, and community spirit. We're thrilled to share that we raised a fantastic £2,400, which will go directly towards enhancing our provision for our children. We couldn't have done it without your support, and we are so grateful.

It's moments like these that remind us what a special school community we have. Thank you, as always, for your continued partnership and encouragement.

Wishing you all a restful and sunny weekend

### Headteacher Award Winners

|           |                        |
|-----------|------------------------|
| Nursery   | Yousra and Rowan       |
| Reception |                        |
| Year 1    | Frankie-Rose and Isaac |
| Year 2    | Maria and Rudy         |
| Year 3    | Thea                   |

## Catholic Life

Congratulations to all of the Year 3 children who celebrated their First Holy Communion on Sunday 22nd June at St Mary's Church!

## Other Faiths Week

Last week we celebrated Other Faiths week in school where every class explored the faith of Islam in a little more detail.

A huge thank you to Mrs Asif and Mrs Khan for setting up an area to explore some artefacts and objects linking to the religion!

Keep up to date with what is going on in school

## EYFS

We've had a fantastic week in Nursery. On Wednesday, we performed our class assembly to our families. The children were absolutely brilliant – showing confidence as they spoke their lines loudly and sang beautifully. We were so proud of them. A huge thank you to all our families who were able to come and watch. As a treat for performing so well in the assembly, we enjoyed some time on the castle area and slide!

We have also enjoyed P.E on the astro turf this week showing great cooperation and listening skills as we took part in different games.

Reception have had a wonderful week in school. We have been very busy rehearsing our graduation assembly in preparation for next Wednesday! It was lovely to see so many of you at Summerfest also, and we were especially proud of the dancers from Reception who performed. We have also spent time visiting our new Year 1 classroom and new Year 1 teachers. We can't believe we only have two weeks left now with our lovely Reception class!

## Key Stage 1

### Year 1

This week at forest school Year 1 have been making pictures using sticks and leaves they could find on the forest floor.

We worked in pairs to gather and create our own forest floor work of art.

PIC-COLLAGE

### Year 2

A huge, joyful well done to our marvelous Year 2's, for their sparkling performance in our Class Mass, joined by Fr Chris. They sang their hymns with such heart and harmony and were really confident during their readings. Especial thanks to, Lisa (Hazel's Mum) for playing so beautifully - that was a lovely treat for us all! Thank you to all our parents/carers who were able to join us, on the day also. 2K, you brought the spirit of our school to life, in the most beautiful and tuneful way!

## Lower Key Stage 2

We have continued our learning on Animals including Humans in Science by carrying out an experiment to find out if people with longer femurs can jump further! We really enjoyed this investigation and used lots of different skills including measuring using a ruler and team work!

In Maths, we have been exploring different types of charts and drawing our own pictograms and bar charts! We can talk about what information the charts tell us and have collected our own data to present in a chart! Keep up the great work Year 3!

Year 4 has had a great week but the highlight was our class trip. Thank you so much to all the adult help that came along and made this possible. We journeyed into town to see the Roman Ruins in Castlefield and made some observational sketches of the area. It was great to see with our own eyes some real Roman Ruins after spending the year learning all about the Romans and their influence on the UK today. We also went up to the viaduct to have a look at how the space has been repurposed. Well done for an amazing week Year 4!

## Upper Key Stage 2

### Year Five

We've had another lovely week, with our Year 5's heading off to St Peter's for an exciting taster day! They experienced a variety of lessons, including Computing, P.E., Maths and History. The children also played beautifully with pupils from other schools during lunch and were a real credit to our school — well done, Year 5! Back in class, they've continued their fantastic work on vector drawings in Computing. In Maths, we've carried on with our Geometry unit, focusing on coordinates and translation. A super week all around — keep up the brilliant work, everyone!

### Year six

What a great week Year 6 have had! We kicked things off with a splendid morning in the forest alongside Jane, where the children had a brilliant time making charcoal and crafting dens from stripped willow. It was wonderful to see their creativity flourish. On top of that, we had our first full dress rehearsal with an audience, and it went exceptionally well — all of their hard work is paying off. All of the children had a wonderful time on their transition days at their High Schools which is such an important step. Here's to more adventures ahead!
