

Weekly News

Friday 23rd May 2025

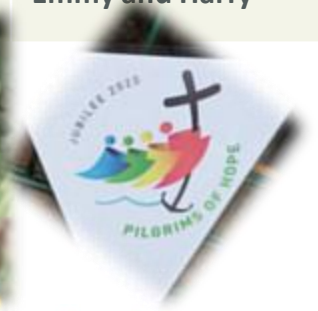

Thank you all for a wonderful half term. It's been filled with fantastic educational visits, inspiring visitors, and joyful celebrations.

Today, we especially loved celebrating the Jubilee of Hope 2025. As part of this special occasion, we planted olive trees to commemorate the life and work of Pope Francis and to honour Pope Leo. The trees stand as a symbol of our hope for a future rooted in endless love and kindness! Wishing you all a restful and peaceful half term break.

School reopens: Monday 9th June 2025

Headteacher Award Winners

Nursery	Jaxon and Ella
Reception	Alex and Norah

EYFS

We have had a fantastic last week of term in Nursery! We were so proud of the children for taking part in their first sports day. They showed great resilience, cooperation and determination. Thank you to all our parents and family members who were able to come and support us and cheer them on.

In Literacy this week, we have been continuing our learning on sunflowers. We wrote some fantastic labels for what we need to plant our sunflowers which we will be doing after the holidays. In math, we explored sunflower seed packets, worked out how many seeds we had, first by subitising in groups and then used ten frames to find the total. The children did brilliantly to challenge themselves.

We are so proud of Reception for another fantastic week! The children took part in Sports day on Monday and demonstrated skills of resilience and teamwork. We also have enjoyed exploring our Anansi the Spider story more, by completing our giant spiders, exploring our spider themed areas and also by making our own colourful spiders, which we then described using sentences. Our ideas were fantastic! We also continued learning new words during our phase 4 phonics sessions.

Key Stage 1

Year 1

This week was Sports Week! We had a great day at Sports Day and Miss Bannister and Miss Akhtar were so impressed with our fantastic behaviour. A big thank you to Mr B for organising and Year 5 for helping. We had a big discussion about how sometimes we do not win races and that's ok as long as we had fun taking part.

Year 2

Sports Day at St. Mary's! What a triumph! Thank you to our Parents/Carers for their continued support, it was lovely seeing you all.

Year 2 getting all crafty with their technical stitching skills creating puppets of ocean creatures. Say hello to Miss Catfish and Mr. Clam! Enjoy your half term break.

Keep up to date with what is going on in school

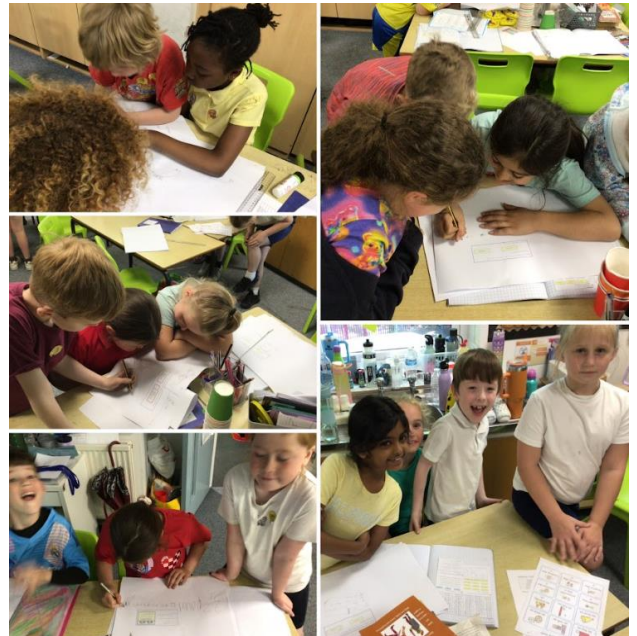

Lower Key Stage 2

Year 3 have had another fantastic week to round off a brilliant half-term. We thoroughly enjoyed our Sports Day on Wednesday morning. Well done to all the children for their fantastic sportsmanship and resilience!

On Thursday, our Egyptian collars came to life when we printed our final designs onto fabric. We applied all the skills that we have been practising to create our final piece of art work and they look great!

Happy half-term Year 3!

Year 4 has had a great week and has been working extra hard. We have been publishing our amazing brochures about Weslandia which are filled to the brim with persuasive language. In math's, we have moved on to learning about time, first focusing on months, weeks and days within a year and identifying how many days are in each month. We also enjoyed our Sports Day on Wednesday where the children displayed fantastic resilience, skill and sportsmanship! Well done Year 4! Happy half-term!

Upper Key Stage 2

Year Five

We've ended the half term in true Year 5 style - with a wonderful week full of curiosity, creativity and thoughtfulness.

In English, the children have loved our new text, *The Children of the Benin Kingdom*. Their thoughtful discussions and predictions about how the story might unfold have been so lovely to see.

In Maths, there was plenty of excitement as the children worked together to estimate angles.

To mark the Jubilee month of love and service, we spent time reflecting and writing heartfelt prayers, which are now beautifully displayed in our peace garden.

Wishing all of Year 5 a restful and well-deserved break!

Year six

What a great week we've had! The students have been diligently writing their descriptions of their wonderful hotels, showcasing all the grammar we've learnt throughout the year.

It's truly heartening to see their progress! We've also kicked off rehearsals for our school play - we have been overwhelmed by the quality of the auditions. The enthusiasm and talent on display are simply remarkable and we couldn't be more excited for the production. We have no doubt that it will be a fantastic showcase of their hard work. Keep an eye out for more updates!
